

# Augusta Trails Membership Form

Augusta Trails is a nonprofit, tax exempt organization that (i) creates new, and supports existing, public recreational trails in the Augusta area, (ii) promotes the Capital area's great trails systems and (iii) educates kids and adults regarding our recreational opportunities and natural environment. Your membership in Augusta Trails will help Augusta Trails build new trails and maintain our community's existing trails. Your membership will also support Augusta Trails-Nordic, a NENSA and Bill Koch League club which promotes cross-country skiing in the Capital area and grooms Nordic trails at the Bond Brook Recreation Area, the Pine Tree State Arboretum, and the Buker Center (the Bill Koch League teaching loop for kids).

## Bond Brook Recreation Area Trail System

Augusta Trails is collaborating with the City of Augusta in developing a 17-mile, 4-season, multi-use trail system in the wilderness park known as the Bond Brook Recreation Area. Augusta Trails' Capital Campaign is raising money for trail construction, trail bridges, kiosks and trail signage, road access, increased Nordic trail grooming capacity and limited snowmaking. If you are interested in supporting the Bond Brook Capital Campaign, please indicate that below and we will contact you.

Thank you for your support of Augusta Trails' work in expanding and supporting our community's outstanding recreational trails.

Name: \_\_\_\_\_ Additional Member(s): \_\_\_\_\_  
\_\_\_\_\_

Address: \_\_\_\_\_

City: \_\_\_\_\_ State: \_\_\_\_\_ Zip Code: \_\_\_\_\_
